**GOVERNMENT'S DISCLOSURE OF ARGUABLY SUPPRESSIBLE EVIDENCE
PURSUANT TO FEDERAL RULE OF CRIMINAL PROCEDURE 12(b)(4)**

COMES NOW the United States of America by and through its attorneys, Jeffrey B. Jensen, United States Attorney for the Eastern District of Missouri, and Jennifer A. Winfield, Assistant United States Attorney for said District, and makes the following disclosure pursuant to Federal Rule of Criminal Procedure 12(b)(4).

At trial, the Government intends to use the evidence seized and statements made by the defendants and other witnesses during the events described below, and as described in the discovery letter and its attachments provided to defense counsel on January 18, 2019. This evidence and these statements are more fully set forth in the investigative reports and search warrant returns, which have been made available to defendants. The Government has listed the evidence below that it believes a defendant could possibly argue standing to contest, although the Government is in no way conceding that any defendant, in fact, has standing on these events.

Also, as additional evidence is found, and as supplemental information comes to the Government's attention, the Government may choose to use evidence in addition to that listed below. Therefore, a supplemental Rule 12(b)(4) notice may be filed at a later date.
